## CONSTRUCTION FOREPERSON

### Job Description:

We are looking for a competent Construction Layout Foreperson who establishes and performs the project requirements and layout with the assigned Operators, Engineers, Superintendent, and EQR support personnel. We have 30+ crews that work on projects in MD, VA, & DC. Our crews work year-round. Your leadership skills and your extensive experience have earned you the ability to direct the work of others and make quick decisions. You must be well-organized and favor safety above everything else.

### Job Requirements

Valid driver license (not provisional) and reliable form of transportation to remote sites.

Have the ability to safely operate large on-road vehicles with trailer.

Meet DOT physical requirements.

Pass EQR's driving test.

The ability to perform required pre/post trip inspections.

Have the ability to operate equipment such as track truck, skid steer, and mini excavator.

Complete equipment checklists, or to ensure checklists are completed by the crew.

Must demonstrate the ability to follow verbal and written instructions.

Ability to learn to operate layout equipment.

Read, understand, and implement project documents (both internal and external).

Ability to learn to lead a crew to complete an assigned task.

Must have the ability to communicate human resource information to production manager and crew members in an appropriate and timely manner.

Physical requirements include sitting (riding to the job) (5%), standing, walking and lifting materials or equipment (95%).

Requires manual dexterity of the hands and bending and twisting associated with heavy lifting.

Requires lifting heavy materials and equipment and often requires working outside in the elements in all seasons and weather conditions.

The body senses of sight (not color blind), hearing (safety), and verbal communication is required.

Must be able to lift and carry 80 lbs.

The language is English in speech and is used in all drawings. This position must have the ability to comprehend and convey instructions in a clear manner to other field personnel, clients, and superiors.
